

## **Rosemary Clement, MSN, APRN-BC, CBCN**

Rosemary Clement is the Certified Breast Care Nurse Navigator at Piedmont Medical Center in Rock Hill, SC. She has 24 years experience in nursing and graduated with her Masters in Nursing from the University of North Carolina at Charlotte in 2007. She is a Board Certified Advanced Practice Nurse in Public Health and has been recently accepted into the Medical University of South Carolina's Doctorate in Nursing Practice program. The focus of her doctoral work will be developing Breast Care Navigation programs in low and middle resource countries. As a breast cancer survivor, Rosemary is passionate about providing ongoing support for breast cancer survivors.
